

PRIZEWINNERS' RECITAL

Many of our members are familiar with Hurn Court Opera already through our group visits to their annual opera performances at Bryanston and later this year there is an opportunity to attend their Prizewinners' Recital at Merley House in Wimborne at 4.00 pm on Sunday 27 September.

Hurn Court Opera is a registered charity which provides a platform for young singers in the later stages of study at music conservatoires or who are just embarking on their professional careers. This approach is very much in the ethos of your Arts Society and the committee has decided to sponsor this year's recital in Wimborne as part of our contribution to Young Arts in our community.

The two performers are Quito Clothier, a 27 year old tenor, who is one of the 2026 Rising Stars of Voice at the Edinburgh International Festival, and Will Prior, a countertenor, who is a Britten Pears Young Artist for 2025-26 and has performed at Garsington Opera and the Wigmore Hall and joins the Royal Academy's opera course in September 2026.

This is an opportunity to spot the stars of tomorrow and your committee hopes that you will share their enthusiasm for this new initiative and join the event. Tickets cost £25.00 but there are only fifty tickets available so, if you would like to attend, please email john@historystore.ltd as soon as possible for confirmation of your booking and instructions on payment options.
